

SBSC Skipper & Crew WhatsApp Group

In response to feedback received during the recent AGM, with the start of the 2025/26 season, SBSC has set up a new WhatsApp chat group called: **SBSC Skipper & Crew Group**.

Purpose

This chat group is meant to provide a platform for members of SBSC to find crew and crewing opportunities. Skippers that are looking for crew can post crewing opportunities prior to a race here. Crew that are looking for a crewing opportunity can register their interest if they want to go out on a specific race and are looking for a boat to crew on. The group is reserved for members of SBSC with an active Australian Sailing number.

How to register?

All SBSC skippers that enter a race series via SailSys will be automatically added to the WhatsApp group.

Crew that are looking for a crewing opportunity need to request access to the WhatsApp group by sending an e-mail with their mobile phone number and Australian Sailing number to brauckmann01@gmail.com.

Opting out

If you no longer want to participate in the group, simply leave the group via the respective WhatsApp function. It is recommended to turn off notifications so that your phone does not alert you each time somebody posts a message.

Group Governance

Given the potentially large number of participants, please keep conversations relevant to SBSC crewing opportunities. We also welcome posting of photos from races, in particular if they are of other boats. Please note though that those photos may be used for the weekly club's newsletter.

For any comments, questions or further suggestions about this WhatsApp group, please contact Till Brauckmann.

Fair winds and happy sailing!
